

# Emeryville Center of Community Life: Community Input Workshops

## Wednesday, February 4<sup>th</sup>

5:45pm – 7:00pm

Emeryville Child Development Center

1220 53<sup>rd</sup> Street

## Wednesday, February 11<sup>th</sup>

10:00am – 11:15am

Emeryville Senior Center (Veterans Memorial)

4321 Salem Street

*Childcare and food will be available for attendees of these workshops!*

## Why should I attend these workshops?

A conceptual master plan has been created and refined over the past year from citizen, staff, and architect input. Now is your time to give a final round of input/ideas before the plan moves forward. The City and EUSD have incorporated many of your ideas into the current plan over the years. We hope you'll continue to help us shape the future of the Emeryville Center of Community Life.

## What is the Emeryville Center of Community Life?

The Emeryville Center of Community Life (ECCL) is the community's vision of a unique and special place where schools, community services, arts and recreation programs provided by the City of Emeryville and Emery Unified School District are integrated to serve the entire Emeryville community. This vision was first crafted in 2001, refined over the years as the community has evolved, and is continuing to move forward!

## Are there going to be more workshops besides these two dates?

Yes! Look for more workshops throughout Emeryville in the near future, such as the Emeryville peninsula (Watergate Condos), Emery Secondary School, etc.

Please contact Melinda Chinn, Director of Community Services for the City of Emeryville, at 510-596-4314 or [mchinn@emeryville.org](mailto:mchinn@emeryville.org) for more information.
